Throughout the year we have Windsurfing courses where you can learn to sail in a great club and a great atmosphere and then you can belong to this club with the best facilities that exist at national level.

Our course structure is coordinated by a professional sporting director and graduates, we are experts in teaching and competition.

We have the best warranties in learning. We are a Nautical Center and School Activities Approved by the Sailing Federation, which guarantee the education of all our customers.

Once you have learned, you can easily have continuity with us and use our excellent facilities, where we will make easier and comfortable the practice of water sports.

You will have a personalized advice on your learning and if you want to buy your own equipment.

SEA BAPTISMS

Activity for 2 hours of navigation, where you receive a brief introduction to navigate. Users receive a small theoretical introduction for the first time and enjoy the experience of sailing with expert monitors.

BLUE CAMPUS

During the summer, we organize weekly courses for young apprentices. It is also an activity for groups and schools. Courses of several days for groups to enjoy the sea, where the team spirit to navigate and improve navigation techniques learned.

SESSIONS

Activity several hours of navigation, where a brief introduction to navigate the sea. Users receive a small theoretical introduction, for the first time and enjoy the experience of sailing.

MULTISPORT

In addition to sailing activities, students can practice other sports as kayaking, paddle surfing, etc.
